VINEYARDS

AUTUMN 2022

Hi everyone,
Hope all is well with you and your families. Life in Napa Valley always looks relaxed and leisurely, but the last few months have been jam-packed.

IN THE VINEYARD

Harvest in three words this year? Short and sweet. An ideal growing season of warm days and cool nights ensured everything ripened evenly. Then a heat spike hit the week of Labor Day, meaning fruit reached peak ripeness in short order. Fortunately, with our small production, we were able to comfortably handle bringing each batch of fruit in as it hit optimum ripeness. We started with the picking of our Malbec, Petit Verdot and Merlot on September 8, with the rest of the reds coming in soon after. And Kristof, our winemaker, is very pleased with how the juice is tasting.

IN THE CELLAR

In late August, we bottled our 2020 vintage and all of us are delighted with the finished product. (In 2020, we were fortunate to be able to pick all of our fruit prior to the Glass fire breaking out.) They taste fantastic right now and should be only more beautiful and integrated with a little bottle age here at the cellar before we release them. We're excited for you to try them (but sorry, you'll have to wait until 2024)

AROUND THE RANCH

The Vinegar Room is finished! We have barrels of vinegar fermenting away. Wine club members who attended the Spring event received a complimentary bottle of vinegar in celebration, and it'll be available for purchase later this fall via our NEW website (coming soon)!

IN THE COMMUNITY

Our family has been a longtime supporter of the Boys & Girls Clubs of America, and we were happy to pour at a recent fundraiser for the Alameda Boys and Girls Club.

INCLUDE US ON YOUR NEXT TRIP TO NAPA VALLEY

A private tasting with the owner? We think that's one of the perks of visiting a small family winery like ours! Each tasting here is hosted by a member of our family and we do our best to schedule tastings so they don't overlap. That way, you can enjoy some undivided attention along with our wines.

We hope to see you here soon!

Holiday wine gift packs will be available in November...watch your email for the announcement!

And to look good while we keep our cool, we've added new options for our RFV hats, including dark solids, lighter pastel colors and a new stars-and-stripes version that's been flying out of the tasting room. Check out the store on our website to see all the styles and colors.
